AN INVITATION

A unique and remarkable anniversary occurs this year. The Lower Island News Society has completed 30 years of publication! On May 3rd, in the BCGEU auditorium in Victoria, a fundraising celebratory luncheon will be held to recognize the continuing achievements of this progressive newspaper.

We'll also celebrate the dedication of LIN's managing editor, Dale Young, for her 28 years of service. So many know and appreciate Dale's formidable editorial and management talent and dedication, and we want to thank her. We will also celebrate her 80th birthday.

LIN stands alone in our region as a non-profit newspaper that provides an intelligent and progressive outlet for the views of so many elected, concerned, and activist citizens. More than 3,000 copies of each issue of the paper are distributed by mail throughout southern Vancouver Island and beyond, as well as by volunteer distribution in the Greater Victoria region.

e:LIN! the electronic version of LIN, can be read [online](#) and is building a global readership.

Your continuing readership support has been critical in maintaining LIN's presence and will enable the volunteer contributors to sustain the voice of LIN into the future. We hope that you are able to take the time from your busy schedule to attend our May 3rd luncheon to help us celebrate LIN's 30 years of publication. It will be a fun event and you will be in good company.

There are other ways, as well, in which you might demonstrate your support. Besides ticket sales, we will be having a silent auction of books with a progressive political persuasion — biographies, environmentalism, history, etc. We would appreciate any and all donations.

Thank you for considering being part of our celebrations and for all of your support to Lower Island News.

Please contact us to arrange for a lunch ticket (\$25).
